✧ Course Information ✧

ELA Writing 10-12 is a course where students can improve their reading, writing, and thinking skills. Students will study and practice the craft of writing. Students will improve their knowledge and skills for English 10-1, 20-1, 30-1 exams - preparing them to be more confident and successful in high school.

hunniteach@gmail.com

What we'll do:

- **Reading Skills:** we will read and critically analyze short prose (fiction and non-fiction), plays, poetry, media, and film texts; practice reading comprehensions; develop vocabulary and literary terms knowledge.
- **Writing Skills:** we will practice and improve grammar, punctuation, diction, syntax, style and structure. We will read, analyze, and practice Personal Responses, Critical Essays, paragraphing, and thesis writing.

WHAT YOU NEED:

- * Writing Journal * binder for handouts * pens/pencil/highlighter
- * ideally, have a **device with internet access** with you so we can use online resources like Quizlet live, google docs, padlet, kahoot, No Red Ink Grammar, and Common Lit, blogs, etc...

Instructor:

Ms. Pamela Hunnisett

English and Theatre Teacher & Inclusion Facilitator with Foundations for the Future Charter Academy.
